

# Cangiante

## For artistic space pioneers..

Depart the earthly orbit and discover new design universes like done by trend-setting young designer Joa Herrenknecht who exploited the extraordinary effects of acrylic couture® for her creative work. With her table ensemble "PLUTO & MARS" she went for an artistic journey and caused a stir at the trade fair in Milan.

## Applications

- > Interior and Exterior design
- > Hotel and Hospitality Design
- > Spa & Wellness areas
