

Etoile

Divine elegance

The Dining and Bar Lounge, high up in the roof-top gallery...of this luxury hotel inspires guests with a fascinating panorama and incredible interior design. Using our design ETOILE Ice, there are numerous visual and extraordinary highlights. Specially developed light elements on the ceiling unite crystalline brightness with style and elegance and a semi-transparent room partition provides a great setting for the exclusive live-action-cooking area.

Applications

- > Interior and Exterior design
- > Hotel and Hospitality Design
